

Investors in Excellence Standard

The only truly holistic performance improvement framework globally

A unique framework for improvement and assessment, providing any organisation with a roadmap to achieve high performance

The Investors in Excellence Standard combines the very best approaches to excellence, enabling organisations to excel in the areas that matter most to the organisation, its customers, people and stakeholders.

Covering all performance areas, the Investors in Excellence framework guides improved achievements through effective and efficient leadership, resourcing and delivery.

The Standard is used by organisations, departments and teams both in the UK and around the world to identify what matters most and drive continuous improvement.
